Re: Request for a minor change to
Residential Planned Development No.
140.
8425 West Broadman Avenue

Dear Mr. Santella:

The Department of Planning and Development has considered your request for a minor change to Residential Planned Development No. 140, and hereby approves your request pursuant to the authority granted by Section 11.11-3 (c) of the Chicago Zoning Ordinance.

Specifically, your letter dated September 8, 1994 requested a reduction in the side yard setback requirement to permit a 5'x 9' area increase to a previously approved attached four-car garage. The location of the expansion encroaches into the area subject to side yard setback requirements.

The Planned Development requires a minimum side yard setback reflective of the R-2 Single Family District Provision of the Municipal Code of the City of Chicago. You requested a reduction in that requirement to permit a side yard setback of zero (0) feet for nine (9) feet of the side yard along the East side of the lot. Please note that concurrence was received from the adjacent property owner affected by the proposed change.

With regard to your request, the Department of Planning and Development has determined that the modification would constitute a minor change pursuant to section 11.11-3 (c) of the Chicago Zoning Ordinance.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance and Residential Planned Development No. 140, I hereby approve the foregoing minor change, but no other changes to Residential Planned Development No. 140.

Sincerely,

Valerie B. Jarrett
Commissioner
